# About Us:

Personal Care Medical Associates (PCMA) provides physician-led geriatric and palliative medicine services to patients in skilled nursing facilities (SNF), long term care homes (LTC), assisted living facilities, personal care homes, hospitals, and now, through the use of technology, in your own home.

We are a team of physicians, nurse practitioners, a pharmacist and support staff whose complete focus is on providing the best care for you. We will ensure your health and safety within your own home.

You can access our team of physicians and nurse practitioners through your cell phone, tablet, or laptop.

You'll receive a text message or email with a link to your appointment. Click in the text message, or link in your email for your appointment.
